The Lighthouse10 in the Haus des Meeres is centrally located and easily accessible to the public for your guests and journalists - a parking garage can be found in the immediate vicinity.

The open and light-flooded room ensures a pleasant and relaxed atmosphere and promises an attentive auditorium. This makes it easy to communicate even tricky topics in an understandable way.

We would be happy to spoil you with drinks and food at your press conference.

networking event

The perfect atmosphere over the roofs of the city

The event location on the 10th floor allows networking evenings in a communicative atmosphere with bar tables and bar stools for larger groups of up to 120 people.

With an impressive view of Vienna city centre through a window wall, networking becomes effortless. For breath-taking photo sessions, our 360° roof terrace is just one floor up!

Surrounded by the lights of the city outside and atmospheric lighting inside, the Lighthouse10 offers an ideal ambience to end the day together.

gala dinner

Satisfaction's highest standard

Invite your guests to our elegant premises high above the rooftops of Vienna. A classic banquet with gala tables is possible for a maximum of 80 people. To loosen up your dinner a little, you have the option of integrating a few bar tables into the setting.

Depending on the number of people, we can transform our event hall into a dance and party hall - with bar tables, a good sound and lighting system, a stage, screen and much more.

Enchant your guests with an unusual location that will definitely be remembered for a long time. Enjoy an evening together according to your wishes.

Our location venue also caters to private celebrations. Would you like to celebrate your wedding or birthday and are not familiar with planning an event?

Our event team accompanies you every step of the way and helps you to choose the right partner. Simple and uncomplicated communication between you and the selected companies is important to us.

With us, you can plan regardless of the weather and, thanks to the large glass window wall, always have a grand view of Vienna. In the event of bad weather, you still have a breath-taking view and a feeling of freedom.

Catch some sunshine with a short all-round stroll on our 360° terrace on the 11th floor.
