Imagine entering your exclusive room in the House of the Sea, which has been prepared exactly according to your wishes.

Upon your arrival, you take a tour of the zoo, walk past the reptiles and fish and watch our sea turtle Puppi, suddenly a diver comes from the side and surprises your guests with a personal underwater message like congratulations on the “Hai-rat!”

Afterwards, enjoy a wonderful meal with a good glass of wine, exactly to your taste, and look through the glazed wall at the city center, together into your future.

It starts to get dark, the music gets louder, Vienna's landscape shines in atmospheric lighting and invites you and your guests to dance and celebrate the most beautiful day of your life!
